December 2023

Happy New Year from SJRA

SJRA would like to wish everyone a Happy New Year! We are so grateful for everyone in our community. Our employees had a wonderful time working for the community's water needs in 2023, and are looking forward to continuing to do so in 2024.

# SJRA Christmas Tree Drive

## RECYCLE YOUR TREE FOR FISH HABITAT

Why put your Christmas tree on the curb when it can improve fish habitat in Lake Conroe? SJRA and Texas Parks and Wildlife are collecting Christmas trees all January long! Drop off your UNDECORATED Christmas tree (not artificial) through January 26, 2024 in the designated areas marked on the maps below. This year we will have two locations: one in Montgomery County at the West End of the Lake Conroe Dam and one in Harris County at the Southwest Corner of the Highlands Reservoir.

**Lake Conroe Designated Drop-off Location**

Sandy Beach Drive

**Highlands Designated Drop-off Location**

E Canal Rd

SJRA is hosting its annual Christmas tree drive. This year, we have TWO donation locations, a Lake Conroe drop-off location as well as a Highlands drop-off location. Please bring your undecorated live Christmas trees to help make fish habitat in Lake Conroe!

## Holiday Helpings

During November and December, all SJRA offices collected food donations to participate in Montgomery County Food Bank's Holiday Helping Food Drive. Every year, the food bank hosts a holiday food drive to help give back to those in need in our community. ***SJRA donated a total of 300 pounds of food this month!*** We are grateful to have employees who love to give back!

The Best Water in Texas would like to wish everyone in our community a Happy New Year!

Happy 2024 from SJRA! The employees of SJRA worked around-the-clock in 2023 to help serve the community with essential water services. They improved fish habitat in Lake Conroe, quickly addressed line repairs, provided water during Houston's boil water advisory, participated in community outreach, construction projects, boat safety education, weather awareness alerts, and much more! Many things made 2023 a great year for SJRA. We are beyond grateful to serve Montgomery County and look forward to doing the same in 2024!

Be on the lookout for our SJRA 2023 Year in Review article in [Dock Line Magazine](#).

Scroll down to the embedded video box and click the appropriate tab and link.

To request a tour of any operational facility, visit [SJRA's Tour Request Form](#) page on sjra.net.

## Tell Us How We're Doing!

SJRA values your opinions and thoughts.

We would love to hear from you on how we are doing. Please submit questions, concerns, or other feedback here.

[Contact Us](#)

The San Jacinto River Authority (SJRA) receives no money from the state, nor does it collect any type of taxes.

SJRA's mission is to develop, conserve, and protect the water resources of the San Jacinto River basin. Covering all or part of seven counties, the organization's jurisdiction includes the entire San Jacinto River watershed, excluding Harris County. The SJRA is one of two dozen river authorities in the State of Texas, and like other river authorities, its primary purpose is to implement long-term, regional projects related to water supply and wastewater treatment.

If you would like to know more about SJRA, what we do, and how we work for the community, check out our website [www.sjra.net](http://www.sjra.net) and follow us on social media [@SanJacintoRiverAuthority](#), [@SJRA\\_1937](#), [@sanjacintoriverauthoritysjsra](#), [@San Jacinto River Authority](#).
